

# *Gort Bone China*

**Sunday, May 20, 2007  
2:00 p.m.**

**Metuchen Public Library  
480 Middlesex Avenue, Metuchen**

Local resident Joan Breen will speak about the history of Gort Bone China, which was manufactured in Metuchen for 11 years (from 1944 to 1955). This highly collectible china, known mainly for its figurines and other decorative works, is comparable to Royal Doulton. Ms. Breen's father was a Production Manager at Gort, and samples from her personal collection will be on display. We encourage members of the public to bring their own pieces as well. Light refreshments will be served following the presentation.

This Metuchen-Edison Historical Society program is free of charge and open to the public. For more information, please contact Phyllis at 732-548-1391 or Steve at 732-452-1381 or "popopies@hotmail.com".
