

**The Metuchen-Edison Historical Society
proudly presents the following**

Fall 2004 Programs

October

Celebrate the kick-off of the New Jersey History Archives Week with a program based on this year's theme of "Amusement in Archives." Using passages from our newly-transcribed oral histories, we will highlight some of the anecdotes (or "Nannygoats" as Lloyd Grimstead called them!) found in these valuable and important local history documents.

**Metuchen Public Library, 480 Middlesex Avenue
Sunday, October 10, 1:30pm.**

November

Clark resident Ludwig Knapp will speak about his life and experiences growing up in Nazi Germany during World War II. As a young child, Mr. Knapp was sent to a Hitler Youth camp. After the war, he was able to emigrate to America and served in the United States military for many years.

**Metuchen Public Library, 480 Middlesex Avenue
Sunday, November 14, 1:30pm.**

Light refreshments will provided at both events and Metuchen-Edison Historical Society merchandise will be available for sale. If you have any questions or need further information, please call Steve Reuter at 732-452-1381.
